## with David Barton

David Barton is the founder and President of WallBuilders, a national pro-family organization that presents America's forgotten history and heroes, with an emphasis on our moral, religious, and constitutional heritage. David is the author of numerous best-selling books, with the subjects being drawn largely from his massive library-museum of tens of thousands of original writings, documents, and artifacts from early America.

He serves as a consultant to state and federal legislators, has participated in several cases at the Supreme Court, has been involved in the development of social studies standards for numerous states, and has helped produce some popular history textbooks now used in schools across the nation.
